

Ken Technologies' unique Marketing Process for Sale of Villas & Apartments

We are very delighted to inform you that Ken Technologies is launching a unique marketing technique in Kerala for sale of villas & apartments to customers abroad.

With an abundant worldwide NRI database and our most advanced Astral Dialer, we can make fast contacts with all the Non Resident Indians particularly in the Middle East, USA & European Countries. This method of marketing is most appropriate for realtors as most of the buyers are from the Middle East, USA, and Europe. We have found this method the best in ascertaining serious and genuine buyers overseas.

Obviously, for any builder, marketing is the most difficult part of his business. Let us partner with you in this process and make your job easier and less expensive. Considering the amount of business we would be able to deliver within a short period, indeed you are going to realize that our cost would be minimal.

We kindly seek an opportunity to talk with you on the above subject with details and brochures; so please advise us you're most convenient date, time and venue.

Assuring you of our best quality services at all times, and looking forward to establishing longstanding and friendly business relationship.
